

Escondido Charter High

School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Principal, Escondido Charter High

About Our School

About Our School

Over the past twenty-three years, ECHS has stayed true to its original mission and vision and continues to provide a rigorous academic experience in a safe and structured learning environment. Over the years, we have created a vibrant academic community with a state-of-the-art science program, performing arts, fire and police programs, numerous curricular clubs, athletics, robotics and new engineering courses. Escondido Charter High School provides students with a comprehensive high school experience.

Our world-class teaching staff and dedicated support staff serve over 800 students in grades 9-12. ECHS offers different learning options for students based on their unique learning profile. The Traditional Learning option offers a comprehensive, full-time classroom experience where students attend a full school day five days a week. The Flex Learning option offers a more personalized experience where students have a modified learning schedule tailored to meet their academic goals. Both learning options are designed to prepare students to be competitive in college and to make a meaningful contribution to our community.

We invite you to visit our state-of-the-art campus and learn more about our academic programs, or visit us on the web at www.amhcs.org.

School Description and Mission Statement (School Year 2019—20)

At Escondido Charter High School, we offer a full range of learning options to suit the varied learning styles of our students. Some students prefer traditional instruction with a teacher in a classroom, while others prefer a combination of classroom instruction and technology-based learning. Still others prefer to work one-on-one with a teacher who can guide them in their independent study. Our goal is to ensure a good fit for every student, and the learning options we offer allow us to do that.

Traditional Learning

Escondido Charter High School Traditional Learning offers a five-day-a-week, college-prep option where students are able to forge strong relationships with their teachers in small class settings. Traditional Learning develops critical thinking and problem solving skills, while encouraging students to embrace the traditional values of integrity, personal responsibility, and service to others.

Flex Learning

Flex learning encompasses a range of options, all aimed at personalizing the educational experience.

Flex 4-Day

Escondido Charter High School Flex Learning provides a four-day, on-campus, college-prep option where students combine the best of independent learning with traditional classroom instruction in a technology-rich environment. In this program, students are encouraged to attend college courses while still in high school.

Flex One-to-One

Flex Learning students also have the choice of one-to-one instruction in an independent learning option where students meet with their teacher once a week and work independently between visits. In addition to the options outlined above, we also offer a Flex Blended Learning option which allows for a mix and match approach. If the Flex 4-Day option seems too restrictive and the Flex One-to-One option is too independent, we can create a mix of coursework that is tailored to your student's needs.

Students with Disabilities	4.70 %
Foster Youth	%
Homeless	%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Staff data from the sponsoring district is not available.

Teachers	School 2017—18	School 2018—19	School 2019—20	District 2019—20
With Full Credential	50	57	49	
Without Full Credential	1	0	1	
Teachers Teaching Outside Subject Area of Competence (with full credential)	3	2	0	

Last updated: 1/16/2020

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017—18	2018—19	2019—20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	3	2	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 * Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2019—20)

Escondido Charter High School sets a high priority to ensure that there are sufficient textbooks and supplementary materials to support the instructional program. Textbooks and other instructional materials meet State Standards and/or Common Core State Standards and are approved by the Board of Directors.

School Facility Conditions and Planned Improvements

In 1996, Escondido Charter High School opened its doors in a couple of storefront offices in a business park with just 60 students. In 2003, when Escondido Charter High School had grown to the point where it occupied the entire business park, it purchased property across the street and built a new campus featuring classrooms, state-of-the-art science laboratories, computer labs, and a library. The construction was made possible through a private bond sale. In 2007, the school added a 400-seat theater, gym, and synthetic athletic field. In 2016, ECHS acquired a building adjacent to the existing campus where it now houses ECHS Flex Learning, which includes the innovative Flex Lab, additional science lab space, classrooms, a digital design lab, and a robotics shop.

The main campus of Escondido Charter High School is located at 1868 East Valley Parkway in Escondido, CA. The Flex Learning campus is located adjacent to the main campus at 463 N. Midway Drive in Escondido, CA.

The campus is cleaned nightly and maintained on a regular basis. Every summer, the school is deep cleaned, all painted surfaces are repainted or touched up, and all carpets are cleaned. Teachers have direct access to the maintenance director to report issues in their classrooms, and all maintenance issues are dealt with promptly. The school has maintenance contracts with pest control and landscaping companies. Currently, the theater is being evaluated for a technology upgrade. Electronic security gates were added in 2018 that are closed during the day, but will always open to exit.

School Facility Good Repair Status

Year and month of the most recent FIT report: January 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Two HVAC units were installed in the Midway building. All other items are in good repair.
Interior: Interior Surfaces	Good	Classroom paint was touched up over the summer. All carpets were deep cleaned over the summer.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	Exterior cement surfaces were power washed. Several tables and benches were repainted or replaced. The school has a contract with a pest control company to ensure that there is no pest problem.
Electrical: Electrical	Good	All electrical systems are up to current code requirements.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	All restrooms, sinks, and fountains are in good repair.
Safety: Fire Safety, Hazardous Materials		All of the fire extinguishers were serviced over the summer. The school passed its annual fire inspection.
Structural: Structural Damage, Roofs	Good	The roofs have occasional leaks, which are repaired as soon as possible after rains. There are no structural issues.
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	All exterior doors and gates are in good working order. Electronic security gates close off the parking lots to outside traffic.

Overall Facility Rate

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	73.0%	74.0%	60.0%	59.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	42.0%	46.0%	29.0%	27.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/10/2020

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	207	199	96.14%	3.86%	73.87%
Male	92	90	97.83%	2.17%	70.00%
Female	115	109	94.78%	5.22%	77.06%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian	11	11	100.00%	0.00%	100.00%

White	99	95	95.96%	4.04%	75.79%
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	78	75	96.15%	3.85%	64.00%
English Learners	11	11	100.00%	0.00%	45.45%
Students with Disabilities	--	--	--	--	
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education (CTE) Programs (School Year 2018—19)

Although it is a small school, ECHS offers career pathway classes in Technology, Criminal Justice, and Fire Technology, though they are not official CTE courses. Local businesses and organizations actively recruit ECHS students for entry-level jobs and community service activities. Several local organizations offer internships including Palomar Hospital, Northrop Grumman, ViaSat, and the Escondido Police and Fire Departments. ECHS has a long and well-developed relationship with Palomar Community College. ECHS students attend Palomar classes tuition-free. Many students, especially in the Individualized Learning Program, may take concurrent courses at Palomar to obtain career-oriented certificates.

Last updated: 1/10/2020

Career Technical Education (CTE) Participation (School Year 2018—19)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	0
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	0.00%
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	0.00%

Last updated: 1/16/2020

Courses for University of California (UC) and/or California State University (CSU) Admission

Students enrolled in independent study often follow a general level curriculum in order to enroll in community college after graduation. All students in classroom programs follow the A-G curriculum, and approximately 95% of those students satisfy university requirements upon graduation.

UC/CSU Course Measure	Percent
2018—19 Pupils Enrolled in Courses Required for UC/CSU Admission	87.15%
2017—18 Graduates Who Completed All Courses Required for UC/CSU Admission	61.86%

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2018—19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
9	16.80%	21.10%	54.70%

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/16/2020

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

Parents play an integral role in the success of ECHS. The Parent Volunteer Organization meets regularly, and parents serve on the ECHS Board of Directors. It is common to find parents chaperoning dances and volunteering during the school day. ECHS hosts a variety of events including an annual Back to School Night and Grad Night. Parent participation is important to the success of these events. In the Flex Program, parents are considered to be educational partners, and parent contact with the student’s Teacher of Record is vital to student success.

State Priority: Pupil Engagement

Last updated: 1/10/2020

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015–16	District 2015–16	State 2015–16
Dropout Rate	3.60%	5.30%	9.70%
Graduation Rate	89.50%	88.40%	83.80%

Indicator	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Dropout Rate	3.60%	9.70%	4.70%	5.80%	9.10%	9.60%
Graduation Rate	90.70%	89.30%	87.60%	84.30%	82.70%	83.00%

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

School Safety Plan (School Year 2019—20)

Escondido Charter High School prides itself on providing a safe, orderly learning environment. A full-time, armed, security guard ensures student safety before, during, and after the school day. Fire drills are held at least twice each school year, and lock-down drills are held at least once each school year. ECHS has an Emergency Procedures manual that details protocols in emergency situations including building evacuation, lock-down, and building containment. All classrooms are equipped to receive intercom instructions from the main office in case of an emergency, and personnel have been trained on protocols and procedures to follow. In 2016, the school implemented an increased use of walkie-talkies to communicate between administrators and support staff. In the summer of 2018, ECHS added electronic security gates for the parking lots. ECHS has developed a Board approved Comprehensive School Safety Plan as required by state law .

Student Support Services Staff (School Year 2018—19)

Teachers in the Flex Learning One-to-One option carry a student load of 25. These teachers also function as their students' academic counselors. Teachers in the Flex Four-Day Learning option, who teach the four core courses (math, science, English, and Spanish), also serve as Teachers of Record for a small number of freshmen. These teachers function as academic counselors for their students. There are two designated Academic Counselors in the Traditional Learning option. Specialized personnel including psychologist, speech therapist, resource specialist etc. are assigned by the sponsoring district as needed.

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3.00
Library Media Teacher (Librarian)	1.00
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Advanced Placement (AP) Courses (School Year 2018—19)

Due to small numbers in the Traditional Classroom Program it is fiscally prohibitive to offer a wide variety of AP courses. However many students enrolled in Honors classes take and ultimately pass AP exams in various subject areas. Thirty-five percent of students in the Traditional Classroom Program are enrolled in one or more AP courses.

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	N/A
English	5	N/A
Fine and Performing Arts	0	N/A
Foreign Language	0	N/A
Mathematics	1	N/A
Science	0	N/A
Social Science	3	N/A
All Courses	9	19.20%

Note: Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.
